EDUCATION

Bachelor of Software Engineering | American University of Central Asia | 2021-2025

PROFESSIONAL EXPERIENCE

Creazard | Android Developer | Bishkek, Kyrgyzstan | June, 2024 - Present

- Developed and maintained high-quality Android applications using Kotlin and Java.
- Implemented modern UI/UX designs and ensured compatibility across multiple device types and versions.
- Collaborated with clients to understand project requirements and deliver tailored mobile solutions.
- Optimized app performance and fixed bugs through rigorous testing and debugging.
- Integrated third-party libraries and APIs to extend app functionality and improve user experience.

Flutter Developer | IKA Projects | Bishkek, Kyrgyzstan | May, 2024 - September, 2024

- Successfully completed 5+ projects, collaborating with senior developers to ensure high-quality outcomes.
- Integrated third-party APIs and services to enhance app functionality and user experience.
- Utilized Firebase for backend services, including authentication, database management, and cloud storage.
- Worked closely with cross-functional teams to gather requirements and deliver robust software solutions.
- Maintained excellent client communication and satisfaction, consistently delivering projects on time.

Android Developer | Neobis Studio | Bishkek, Kyrgyzstan | January, 2023 - May, 2024

- Developed and delivered multiple Android projects, integrating APIs with pre-provided designs.
 - Worked with designers and backend developers to ensure alignment and high-quality mobile applications.
 - Supported the development and maintenance of Android applications in an Agile environment.
 - Gained hands-on experience in mobile development through close collaboration with senior developers.
 - Contributed to the development of a social media application and other projects, resulting in improved stability and performance.
-
